

Dear Friends,

The 10th Annual Dungeness Crab & Seafood Festival (DCSF) will take place Saturday and Sunday, October 8-9, 2011 in Port Angeles, WA. The American Bus Association has named the Dungeness Crab & Seafood Festival one of the Top 100 Events in North America for 2010, and Coastal Living Magazine named the Festival one of the Top 10 Coastal Events for 2010. And how many events can say that they were a *Jeopardy* question?

Nearly 20,000 people from all over the country attend the Festival, and in 10 years Crabfest has become one of the top seafood events in North America!

The festival is held on the Port Angeles waterfront including the Port Angeles City Pier, Port Angeles Red Lion Hotel, the Gateway Center, and Lincoln Street. There is plenty of free parking within a few blocks and there is no admission charge to the festival. The Festival is sponsored by the City of Port Angeles, many businesses, vendors, great volunteers, and the public because this is the "Home of the Dungeness Crab."

The festival's featured crustacean was named after the village of Dungeness (near Port Angeles), where the oldest known commercial shellfish fishery of the North American Pacific coast began in 1848. People all over the world love Dungeness crab and we are working to bring them to Port Angeles at the beginning of the local crab season to eat crab, and sample all of the other great foods and products of the Olympic Peninsula.

We are seeking applications from craftspeople and merchants. Merchant applications must be related to the theme of the Festival and not conflict with handcrafted items that have been accepted. Please check our web site at [www.crabfestival.org](http://www.crabfestival.org) for more information about the festival. We have a limited number of 10'x10' booth spaces. The cost is \$175 per 10'x10' booth. Booth hours are 10:00am to 6:00pm on Saturday and 10:00am to 5:00pm on Sunday. Booth set up is Friday afternoon.

The Festival is co-produced by Olympic Peninsula Celebrations, and the Port Angeles Regional Chamber of Commerce, both nonprofit organizations. Please review and send in the enclosed application, and let us know if you have any questions.

Sincerely,

Mickie Vail  
Director of Operations
